

Welcome to the Rob Cary Training Program! We're so excited that you've chosen to join us on your journey to a happier, healthier relationship with your dog. Here's what you need to be ready for your first class:

- A hungry dog. Don't feed your pet right before class. Being a bit hungry makes the treats taste better!
- A Six (6) feet Fixed Lead or Leash. No flexi leads. Six feet is the optimal length for our training purposes.
- A Martingale collar. The Martingale collar is designed specifically for training and should only be on your dog while you are working with them. It can be used for walks but should not be left on your dog without supervision.
- A Treat Bag or Pouch. You will need something to keep those tasty treats in! You won't be able to hold them in your hand while training, and your pocket will get gross fast! A detachable treat pouch will keep the pooches eyes on you and their nose out of your pockets!
- Treats! The magic-makers. You'll want soft treats that are easy to break up into smaller pieces. Bring a variety for your pet. They can get bored eating the same thing, just like we do.
- Comfortable clothing. Training is fun and active. You'll want to dress for the occasion. Close-toed shoes are a must. You'll also want durable clothing that you don't mind getting dirty and that you can move easily in.
- A paw-sitive attitude. Your dog can hear it in your voice and see it in your body. Try to leave the stress at the door and enjoy the time you two get to share!

With these tools, you'll hit the ground running and get the most enjoyment out of your time with us. We look forward to seeing you soon!
